

## OHIO COUNTY WATER DISTRICT WATER CONSTRUCTION REVIEW CHECKLIST

Date: \_\_\_\_\_

Project Name: \_\_\_\_\_

Project Address: \_\_\_\_\_

The purpose of this checklist is to give the minimum requirements needed to expedite the OCWD'S technical review process for construction plans involving extension of OCWD water lines and extensions. **All items shall be checked as included or marked N/A.** The omission of required items may be cause for rejection of the submittal without review. Please refer to the following documents for further details: Ohio County Water District's Water Standards Manual, 807 KAR 5:0666 and the "Ten States Standards" 2012 edition.

- |  |  |
|--|--|
| <input type="checkbox"/> North Arrow   | <input type="checkbox"/> General Notes & Standard Details  |
| <input type="checkbox"/> Vicinity Map  | <input type="checkbox"/> Location & Size of All On-Site Water Mains                                    |
| <input type="checkbox"/> Name, Address, Phone, &<br>Email of Owner/Developer                                 | <input type="checkbox"/> Locations of Proposed Service Lines &<br>Meters                               |
| <input type="checkbox"/> Name, Address, & Phone of Engineer  | <input type="checkbox"/> Size, Type & Pressure Class of Lines  |
| <input type="checkbox"/> KY Registered Professional Engineer Seal & Date                                     | <input type="checkbox"/> Water Main Dimensions to ROW  |
| <input type="checkbox"/> 24" x 36" Plan Sheets & 2 Sets of Plans   | <input type="checkbox"/> Fire Hydrants Location Identified   |
| <input type="checkbox"/> Plan Date, Index & Legend   | <input type="checkbox"/> Hydraulic Calcs for Static & Residual Flows                                   |
| <input type="checkbox"/> Benchmarks Shown  | <input type="checkbox"/> Profiles of Proposed Water Mains  |
